

COMPANY PROFILE

We Look Forward To Be Of Service To You

www.mycitygroup.net

Company Overview

My City was established in 2004 with a vision of being a pioneer in the industry of Electro-Mechanical Services in Qatar and the region.

My City was committed since 2004 to high performance standards that will relentlessly offer groundbreaking solutions to the MEP Services in Qatar.

Our core values are embedded in systems and people & unequivocal excellence in all aspects of our operations in the Electro Mechanical Sector.

We have always believed in corporate responsibility and therefore we entrusted ourselves to work relentlessly to improve the quality of products and service we offer.

Research, innovation & partnerships are key factors to identify and embrace new and innovative solutions to keep up with the demand and competition in the market.

Operational efficiency characterized by diversified industry experience paves the way to the company's deliverance of projects for the Local and regional market.

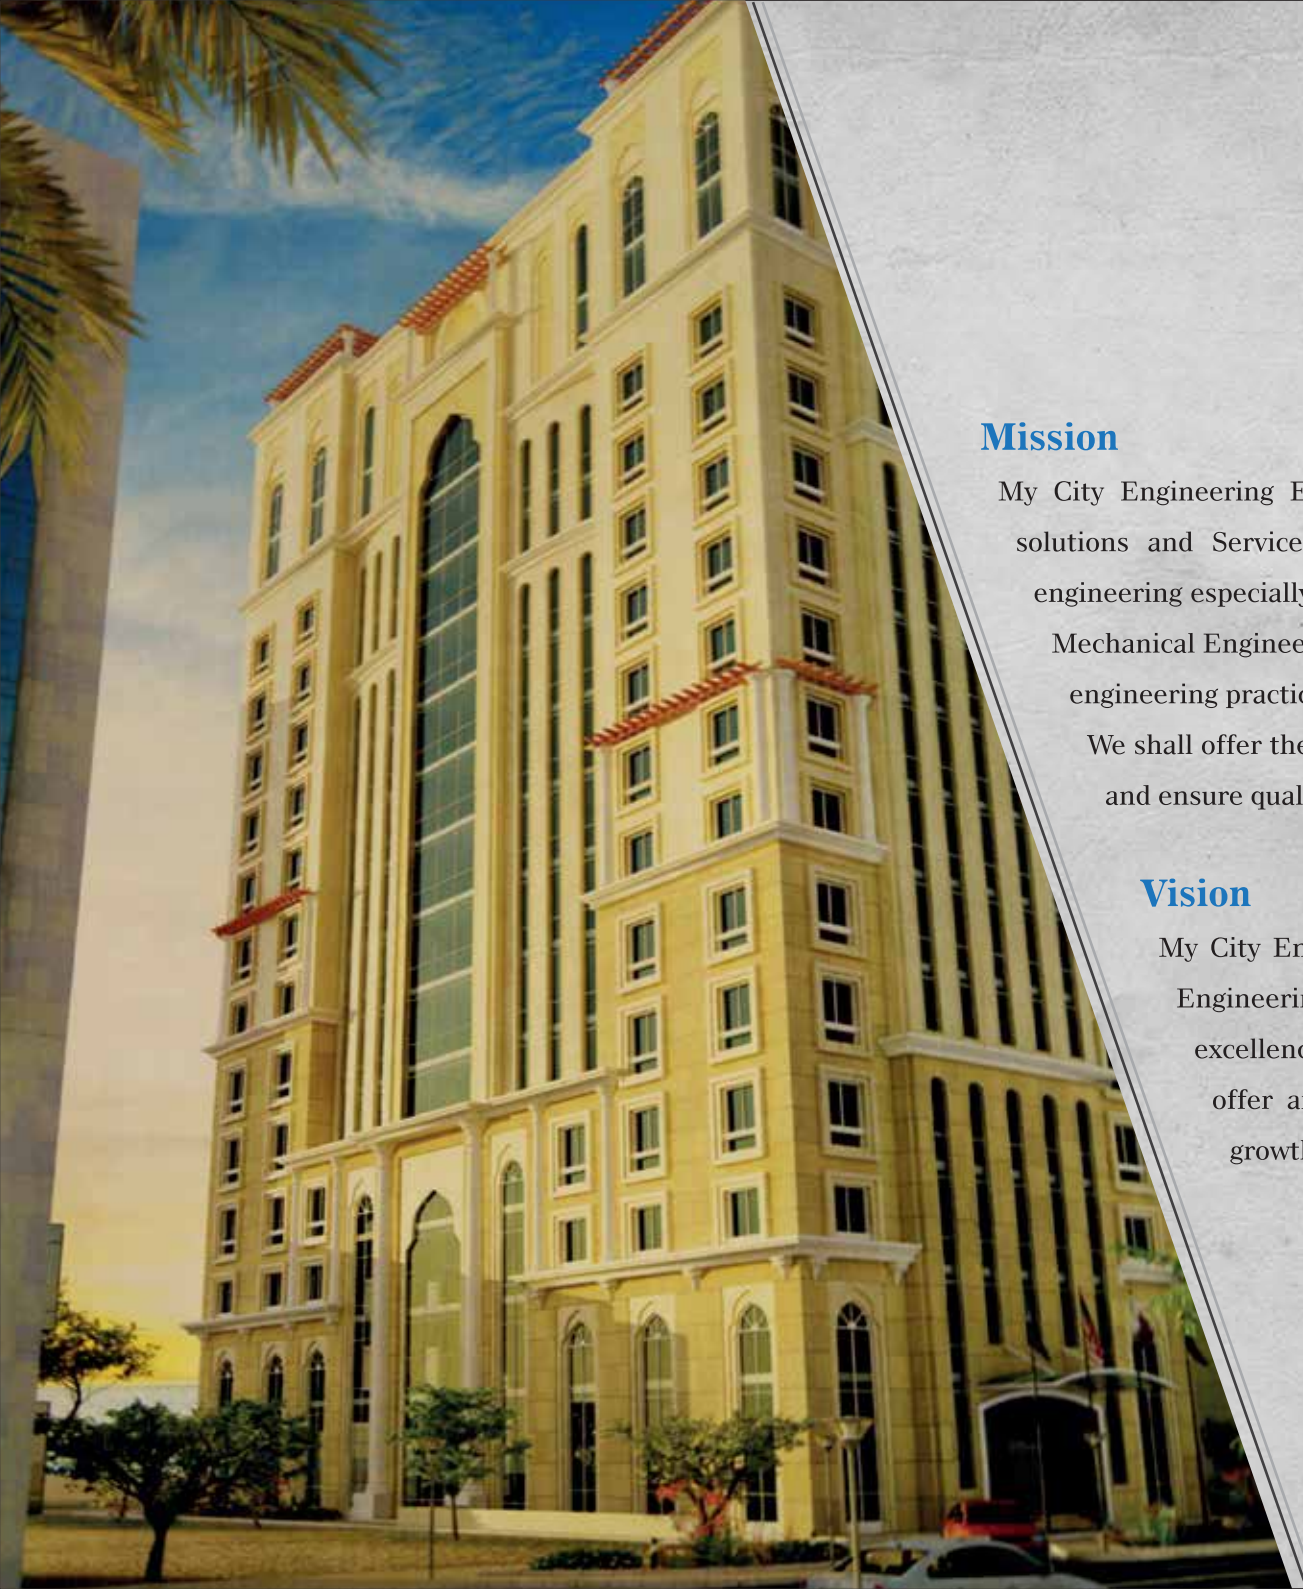

The spirit of the company will always be to stand by our clients as "a Reliable Partner for a safer society" who can be entrusted with the efficient delivery of masterpiece safety products

Company Overview

The company was established in by a group of technocrats with great vision and innovative ideas having rich and varied expertise in the Industry. My City Engineering Enterprises has proven its competence in diverse and challenging assignments by providing creative and innovative design solutions, ensuring quality and workmanship of the products we offer, commitments to the schedule etc.

It is an endeavor for each of our team members to provide the world's best products and engineering services to our clientele to their satisfaction so as to achieve our vision.

Mission

My City Engineering Enterprises shall provide the most comprehensive engineering solutions and Services in the field of mechanical, electrical and Instrumentation engineering especially in the field of Fire Protection, Security Systems, HVAC, Electro - Mechanical Engineering etc, by offering the best portfolio of products with world class engineering practices.

We shall offer the best in terms of professionalism and creativity, in our operations and ensure quality in every step we follow

Vision

My City Engineering Enterprises is committed to become the world's best Engineering services company by providing world-class design, engineering excellence, Quality and Professionalism in the engineering services we offer and to become our customer's most preferred partner for their growth and developments.

GLOSSARY

Committed: Being loyal to the Company's vision.

World's Best: Consistently achieving growth in all aspects and keeping a positive reputation and position in the industry by maintaining a well-trained and highly Professional Human Resource.

Industry Leader: To maintain the leadership in identifying world-class quality in products & services and to implement them by setting new benchmarks.

World Class Quality: Quality that meets the entire international standards and exceeding the expectations of the most demanding customers. Deliver what is expected to be delivered in a manner that the most learned person or an expert would deliver.

Customers most preferred Partner: We are a sound and long-term reliable business partner by maintaining high level of ethics and integrity in everything we do.

Quality Policy

My City Engineering Enterprises is committed to provide world class engineering practices, products and workmanship in all our activities such as design, installation, commissioning and documentation of the engineering services we offer.

We have developed and implemented process and methodology in all our activities meeting international standards.

We shall ensure full quality in designing, planning, selecting products, installing and commissioning the same by reviewing, and validating the performance at every stage.

Business Philosophy

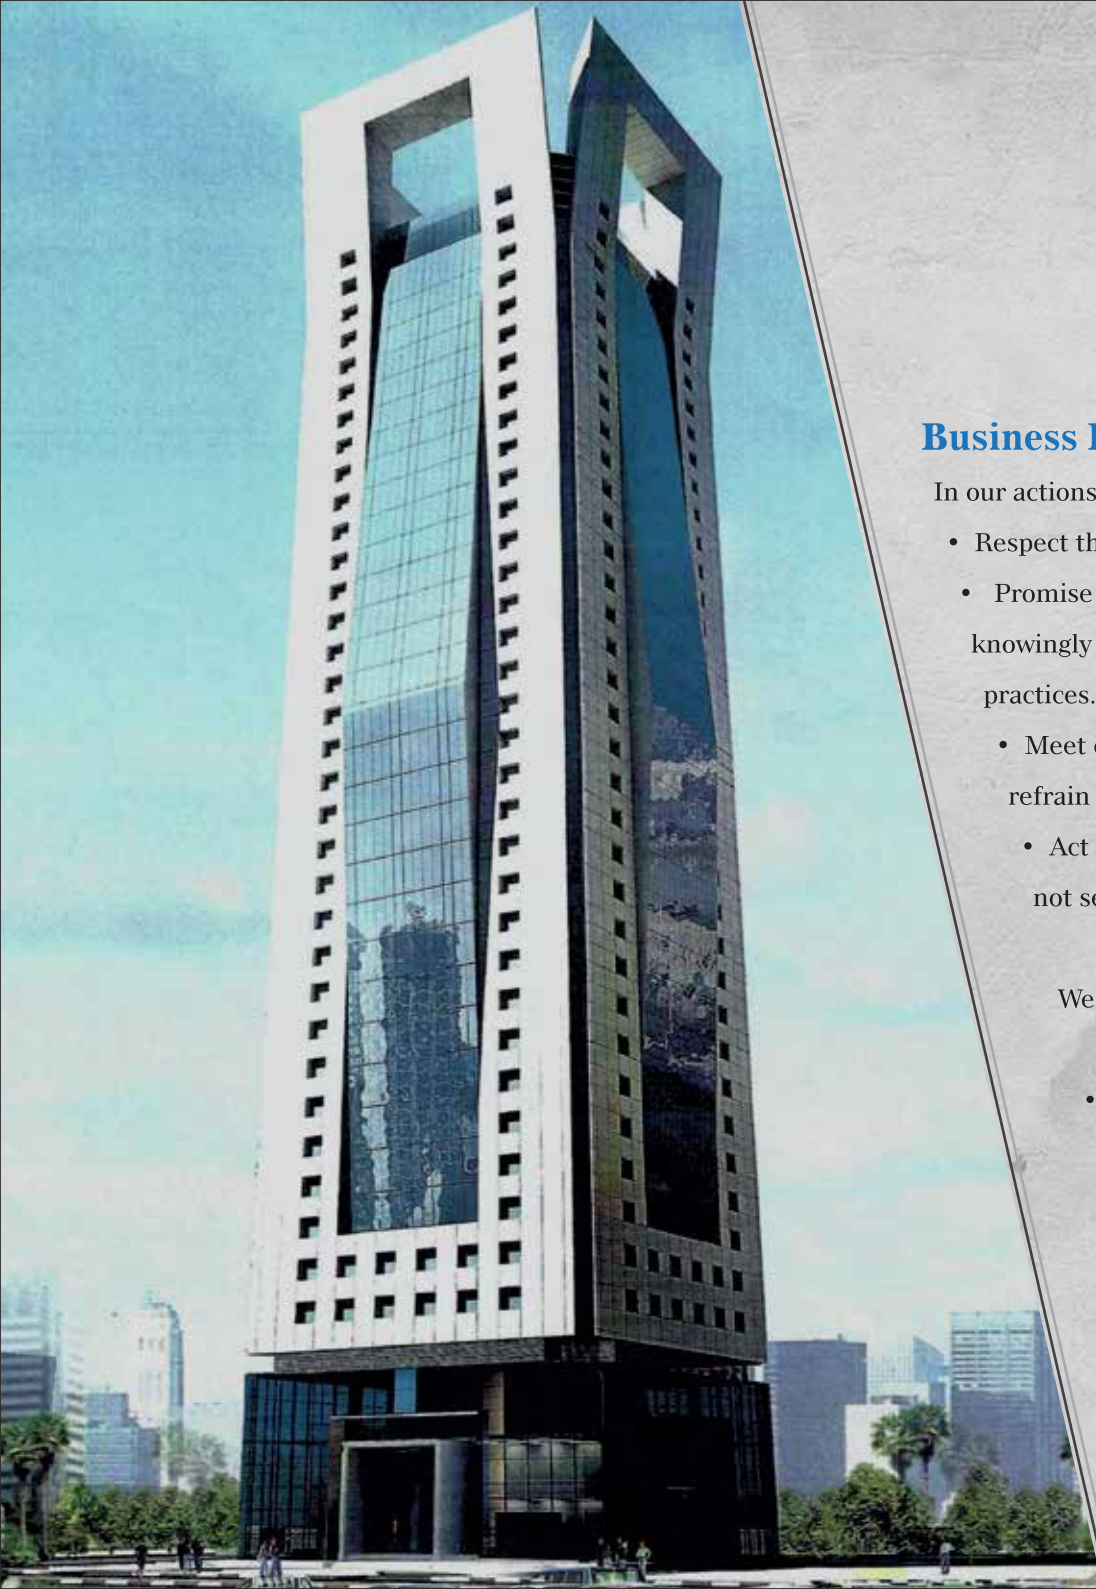

The ultimate expression of a policy lies in how we carry out our business. Our general business policy focuses on six areas: Ethical Conduct, Customer Relationships, Quality, Health, Safety and Environmental Concerns. What we state here is not only an aspiration, but also a determination. The policy document describes what the industry can expect from the company.

We believe that wherever we operate, our activities should be cost effective conduct should be a source of positive influence, relationships should be transparent and our actions should be accountable.

We are committed to.:

- Respecting the rule of law; conducting our business with integrity, and showing respect for human dignity and the rights of the individual wherever we do business.
- Developing employment practices that create a stimulating working Environment in which diversity is valued.
- Creating mutual advantage in all our relationships so that people will trust us and want to do business with us.
- Demonstrating respect for the natural environment and work towards our goals of no accidents, no harm to people and no damages to the environment.
- Managing our financial performance to maximize long-term benefits to our share holders and employees.

Business Philosophy

In our actions and our dealings with others, we will:

- Respect the rule of law.
- Promise only what we expect to deliver, only make commitments we intend to keep, not knowingly mislead others and not participate in or condone corrupt or unacceptable business practices.
- Meet our obligations and commitments, treat people according to merit and contribution, refrain from coercion and never deliberately do harm to anyone.
- Act in good faith, use company assets only for furthering company business and should not seek personal gain through abuse of position.

We will work to build long term relationship founded upon:

- High Performance Standards
- Commitment to Deliveries
- Transparency & Flexibility
- Learning from others
- Mutual Interdependence
- Sharing Success

Our Services

My City Engineering Enterprises is specialized in all tasks related to the following activities :

- A. Fire Alarm Division
- B. Fire Fighting Division
- C. Security Systems Division
- D. Structured Cabling (Data & Voice)
- E. Electrical Systems Division
- F. HVAC Systems Division
- G. Plumbing & Drainage Division
- H. Trading & Distribution Division

We do:

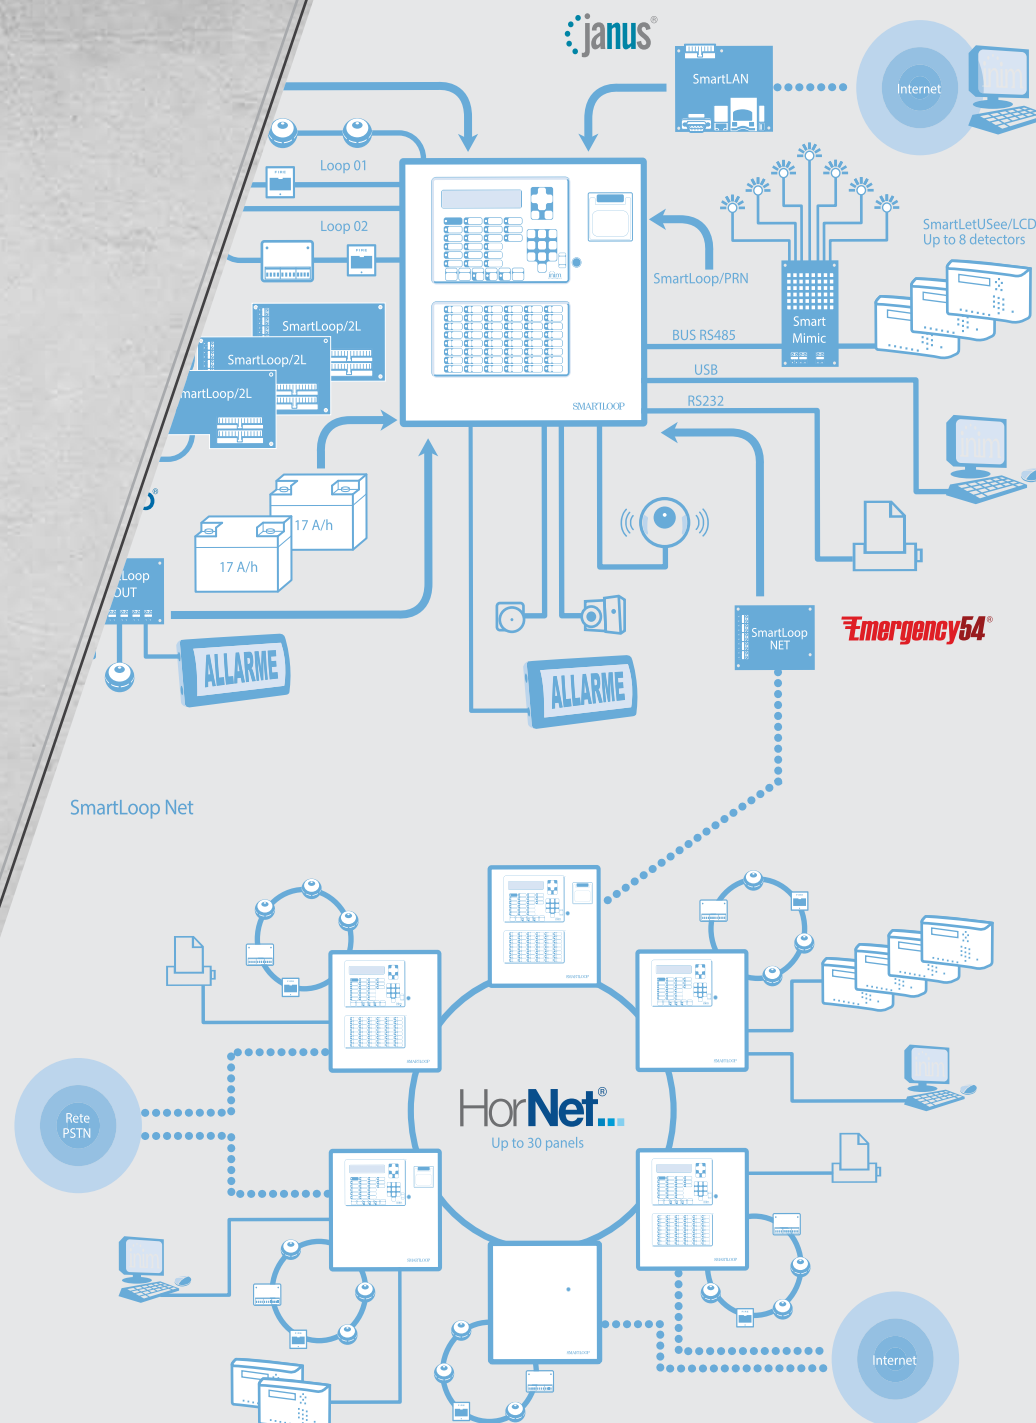

- Simple And Flexible
- Modular Architecture
- Intelligent
- Cost Effective
- Different Vendors' Equipment Integration
- Reliable And High Performing

A - Fire Alarm systems

Our Strategic partnership with companies who have credentials, as old and as strong as five decades, has strengthen our capacity of supply and the comprehensive coverage that we can offer across various industries. The R&D helps us bring in evolutionary technologies and greener products.

- Conventional Systems
- Addressable Systems
- Voice Evacuation Systems
- Fire Fighter Telephone
- Gas Detection Systems

Products & Services

B - FIRE FIGHTING SYSTEMS

We consistently strive to develop and introduce new product offerings and services that meet and exceed the ongoing needs of our markets and customers.

Our solutions satisfy the needs of the multi and high rise residential, industrial and commercial applications & new construction and retrofit markets.

We provide a turnkey solution for any project including design, supply, installation, testing, commissioning and maintenance after handing over

- Fire Pumps
- Fire Hose cabinets
- Fire Extinguishers
- Sprinklers, valves
- Deluge Systems
- Dry & Wet risers
- NOVEC
- Aerosol Generating Systems
- Fm 200

Products & Services

D - Structured Cabling (Data & Voice)

We are proud to have a dedicated and specialized team of enqlneers who can meet any type, of requirements, from the, objectives, via solid design procedures, to implementation.

- Structured Cabling Network (Data & Voice)
- Date Cabling & Termination
- Patch Panel
- Switchers
- Date Racks
- Face Plates
- Testing & Commissioning

A close-up photograph of an electrical control panel. A person's hand, wearing a blue jacket, is shown operating a white switch on a rack of similar switches. The panel is filled with various electrical components, including switches, relays, and wiring. The background is a plain, light-colored wall.

Products & Services

E - Electrical Distribution Systems

Our Main concern in this division is to achieve the highest safety levels starting from design, supplying, solid supervision, engineering solution testing & commissioning to gain the high reliability for the network starting from KAHRAMAA connection up to each load at the network.

Our Highly qualified team is specialized to install the followings:

- Electrical Transformers
- HV Rooms
- MV Rooms
- Electrical Cables Network
- Electrical Lighting
- High Power Consumption Equipments
- Small Power Installations.
- Electrical Distribution Boards.
- Electrical Sub-Stations.
- Stand by Generator Sets.

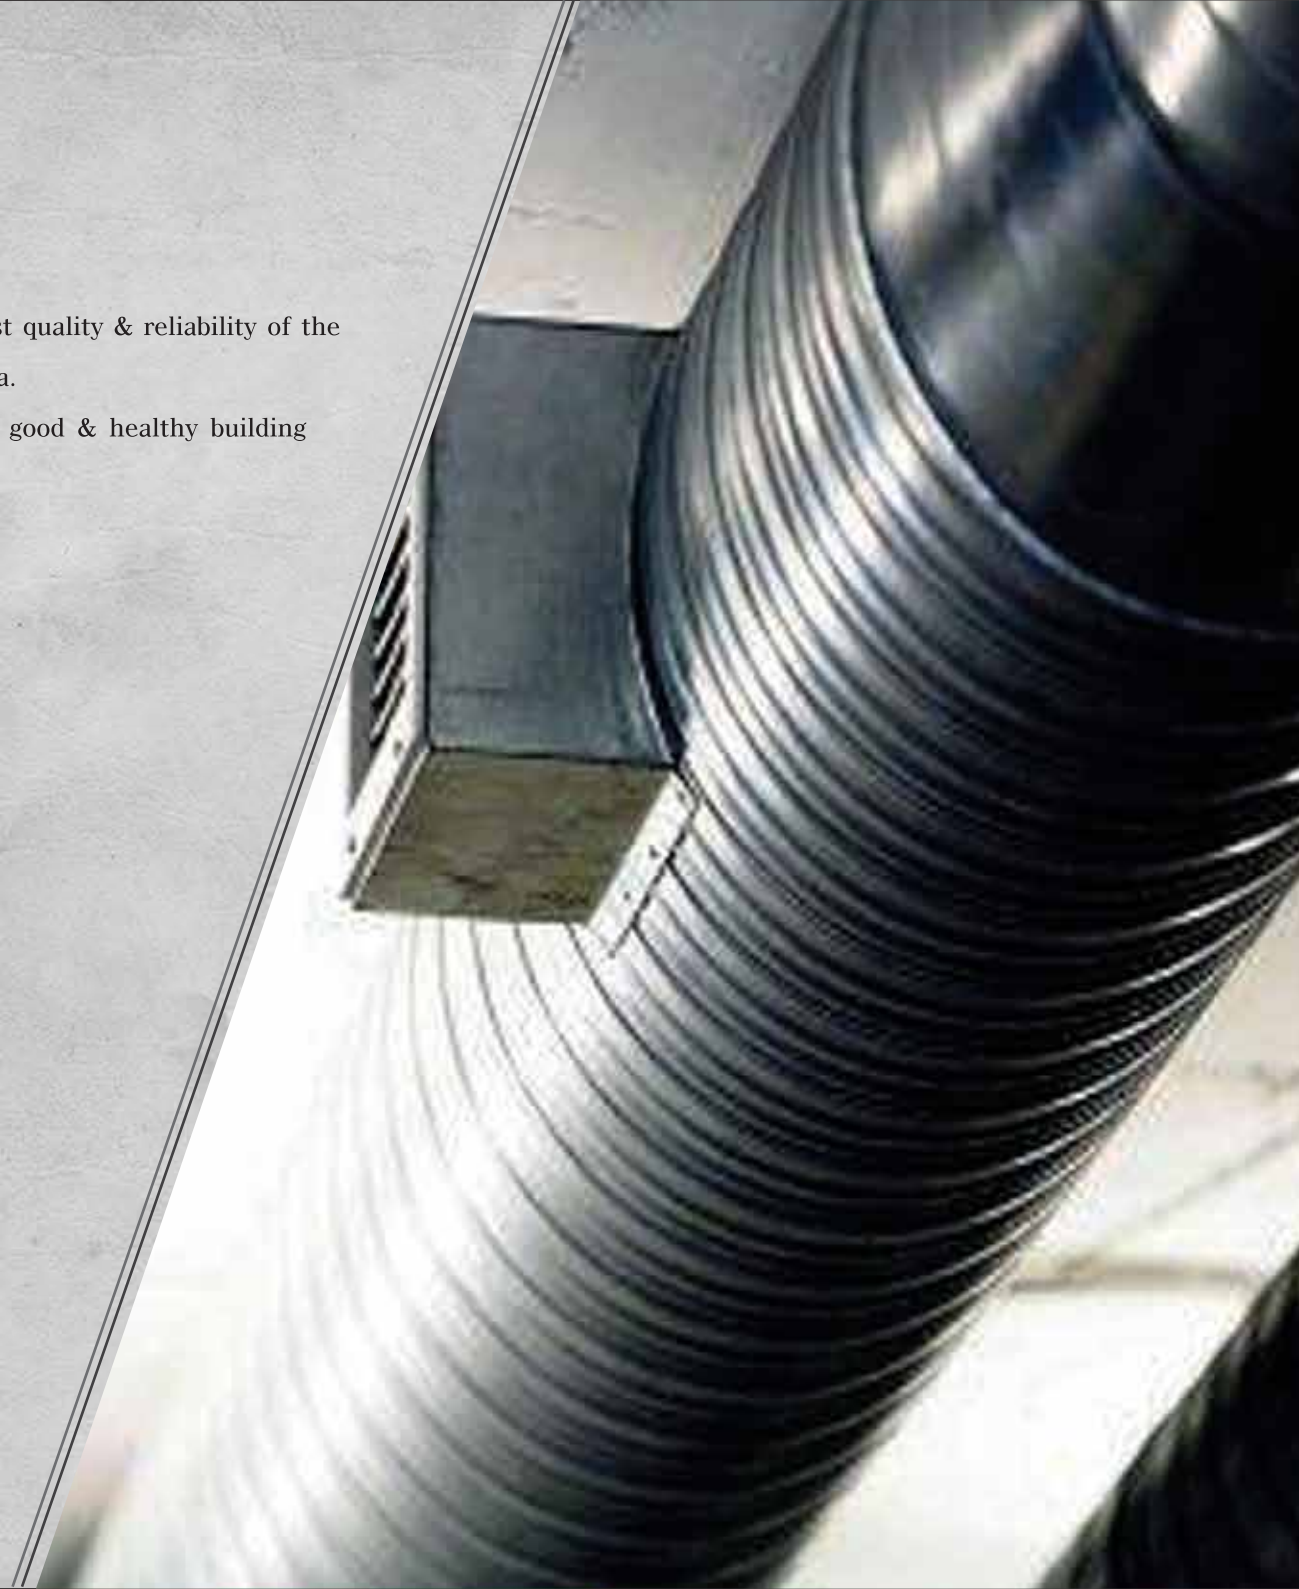

Products & Services

F - HVAC systems

My City Engineering Enterprises staffs do their best to achieve best quality & reliability of the HVAC systems as we know well the weather conditions at the gulf area.

We are able to provide with our following services and systems a good & healthy building environment to live in.

- Central Ducted HVAC System (FCU's -AHU - Chillers)
- Concealed Units.
- Ventilation Systems
- Split AC Units.
- Ducted Split Units.
- Chilled Water Piping Network.

Products & Services

G - Plumbing & Drainage Division

My City Engineering Enterprises is specialized in all tasks related to the following activities:

- Water heaters / coolers
- Booster Pumpsets
- Submer Sible / Sewage Pumps
- Irrigation Pumpsets
- Drainage Network
- Sanitary Wares

Area Of Brands & Products :

The international Brands which installed AS DISTRIBUTOR in our Regions :

| Item | Brand Name | Products |
|------|-------------------|---------------------------------|
| 1 | INIM | Fire Alarm Systems |
| 2 | Zeta | Fire Alarm Systems |
| 3 | Mercom | Fire Alarm Systems |
| 4 | Simplex | Fire Alarm Systems |
| 6 | GST | Fire Alarm Systems |
| 7 | Fire Guard | Fire Fighting Systems |
| 8 | New Age | Fire Fighting Systems |
| 9 | Jinan Meide | Fire Fighting Valves & Fittings |
| 10 | Flowcom | Fire Fighting Valves |
| 11 | Coffco | Fire Extinguishers |
| 12 | Flametech | Fire Extinguishers |
| 13 | Changshu Jiangnan | Fire Blanket |
| 14 | Jintian | Fire Fighting Systems |
| 15 | Reddy Buffalos | Fire Pumps |
| 17 | Tyco | Fire Fighting Systems |
| 18 | CISCO | Integrators Data and Telephone |
| 19 | Norden | Structured cabling |
| 20 | Fine | CCTV and Security |
| 21 | Mitsubishi | HVAC Machines |
| 22 | Blue Star | HVAC Machines |
| 23 | Petra | HVAC Machines |

Area Of Brands & Products :

| Item | Client Name | Project Name | Installed Systems |
|------|-----------------------------------|--|---|
| 1 | La Cigal Hotel | G+M General purpose warehouse | Fire Alarm And Fire Fighting Systems |
| 2 | Warathet Abdullah H. Al Attiaya | Complex of 6 nos. Buildings (B+G+7) at Bin Mahmoud | Fire Alarm , Fire Fighting , Mechanical ventilation Systems & Annual maintenance |
| 3 | Warathet Abdullah H. Al Attiaya | (2B+G+14) Commercial Tower at Al Kornaish | Fire Alarm, firefighting ,Public address and FM200 & Annual maintenance |
| 4 | Al-Shahba trading and contracting | (B+G+3) Residential Building at Bin Omran | Fire Alarm And Fire Fighting Systems |
| 5 | Electro Tharwat | Lusial Development Super2 400/220/132/11KV | Cable trays & building earthling |
| 6 | Bendary Engineering | (B+G+7) Residential Building at Al Mansoura | Fire Alarm And Fire Fighting Systems |
| 7 | Dr. Fahed H. Al Attiya | Seliah Farm | Interior & Exterior electrical installations , Water treatment station & Gen sets |
| 8 | CRC | (B+G+M+1) Al Nasr Showroom | Fire Alarm And Fire Fighting Systems |
| 9 | Al Okda trading & contracting | Mosque & Islamic Center | Fire Alarm And Fire Fighting Systems |
| 10 | Al baker trading & contracting | 33 Villas complex at Al Rayan | Fire Alarm And Fire Fighting Systems |
| 11 | Almana Maples | Almana Maples showroom at Medmak R/A | MEP |
| 12 | Chizen Restaurant | Oryx Rotana hotel Chinese Restaurant | MEP |
| 13 | Almana real estate | Almana Tower 10 th floor renovation | MEP |

| Item | Client Name | Project Name | Installed Systems |
|------|------------------------------------|---|--------------------------------------|
| 14 | Bauer Engineering | Bauer Engineering adobe at Golden tower | MEP |
| 15 | Auto Car | Auto Car warehouse at industrial area | Fire Alarm And Fire Fighting Systems |
| 16 | CBQ | Commercial Bank several locations | MEP |
| 17 | QIB | QIB Al Rayan branch | MEP |
| 18 | Renoda modern printing | Renoda modern printing at industrial area | Fire Alarm And Fire Fighting Systems |
| 19 | NBK | Harely Davidson showroom | MEP |
| 20 | Albendary Engineering | 14 Buildings at Alsadd | Fire Alarm And Fire Fighting Systems |
| 21 | Center Point | Warehouses H1B & H2B at Qatar Logistic Village | MEP |
| 22 | Al Jazeera trading and contracting | United factory for water at new industrial area | Fire Alarm And Fire Fighting Systems |
| 23 | Almana real estate | Almana paint shop | Fire Alarm And Fire Fighting Systems |
| 24 | Almana Maples | Mshiereb leasing center at Tornado Tower | MEP |
| 25 | Protec | New Port Project at Mesied | Fire Fighting Systems |
| 26 | Albendary Engineering | M126A + IM5 model mosque at Azizia | MEP |
| 27 | Albendary Engineering | Alkhesa gate 110 nos (G+1+PH) villas | MEP |
| 28 | Dr. Fahed Alattyah | Swimming pool | MEP |
| 29 | Albendary Engineering | (2B+G+14) 4 star hotel at old salata | MEP |

Our Success Keys :

1. Chairman
2. General Manager
3. Projects Manager
4. Electrical Engineers
5. Mechanical Engineers
6. Accountants
7. Sales
8. Purchasing
9. Human Resource
10. Transportation Rep.
11. Technical Stuff
